Re: Request for Waiver of deadline for funding year 2018 Form 471.

To Whom It May Concern,

I am hereby requesting a waiver of deadline for the above mentioned Form 471. I understand that I am requesting the ability to file outside of the filing window. At this time I (Mark Williams) am the only person familiar with the program and qualified to file for our school district. I filed for my Category Two services but forgot to file my 471 for my Category One services. We are under a multi-year contract with that service and it was a complete oversight on my part. I did not notice this until I began checking the status of my form 486s.

I am not sure what I had going on at the time of the deadline. I am a stage IV pancreatic cancer warrior and attempt to maintain a regular work schedule. I apologize for this oversight and do not think that my school district should be penalized for my mistake. I have been filing E-Rate for nearly eighteen years and well know the dependence we have on the funding of this program to sustain technology in our under-funded schools.
